ISM's PRIVACY POLICY

We care about your privacy and the information you share with us. We want you to understand how we use and protect the information we collect. ISM's online privacy policy demonstrates our commitment to secure and transparent data sharing and your right to privacy. We respect data privacy and adopt best practices in compliance with applicable privacy laws and regulations.

USE OF THIS WEBSITE

This privacy policy describes the information we collect from you and how it may be stored and processed, as described below.

CONSENT

By using this website, you consent to the collection and use of the information as described here. Any changes to this privacy policy will be posted on this page so that it will always accurately reflect what information we collect and how that information is used.

PRIVACY

We safeguard your privacy interests by ensuring that ISM's website adheres to the data-protection principles described in this statement. In addition, we bind our employees to observe your privacy and confidentiality rights.

USE AND PURPOSE OF COLLECTED PERSONAL DATA

We only store personal information relating to you with your permission. You can reveal information to us if you request to be contacted or sign up for our mailing list. ISM will only use the information provided to process your inquiries or help improve our products and services.

We only share such information with third parties with your express permission or as the law requires. Data is used solely for the purposes described below.

WHAT INFORMATION DO WE COLLECT AND WHY?

We use IP addresses to track ad performance, diagnose issues with the site, and gather demographic information. When you visit our site, we will only collect generic information, including IP address, the general location of the computer or device used for access, browser type, and other usage information.

The other information we collect is what you provide when you request to be contacted to learn more about our services. This is limited to data on a typical business card: first name, last name, job title, company name, email address, and phone number.

If you choose to give us your e-mail address, we may email you via e-mail. We will not sell or share your e-mail address with parties outside ISM. Depending on how your e-mail application is set up, information about you may be transmitted automatically when you send e-mail to ISM.

SECURITY OF YOUR DATA

ISM maintains safeguards, including organizational and technical security measures, to protect your data from misuse, unauthorized access, inadvertent disclosure, or alteration/destruction. We update and test our security regularly and restrict access to your data to only those who need to know to provide content or services to you.

OPT-OUT

You can opt out of receiving e-mail communications from us whenever you like. Please send us an e-mail to info@ismllc.com to have your name and details removed.
